**John Skallberg**

I started shooting trap at the Holdrege Gun Club with my dad in the early 1970's. I registered my first targets in 1976. I've been a 4-H shotgun instructor for about 20 years. Bryon Nelson was a wonderful mentor to me.

About 30 years ago, Blake Johnson and I took over the management of the Gun Club. My biggest achievement is helping to keep the Holdrege Gun Club open for trap shooting.

**2022 HONOREES**

**Miles (Mick) Doyle**

Miles aka Mick was an avid shooter of anything that was a clay target. He traveled some with friends and shot all over the surrounding states.

Later in his life Mick got a lot of joy and pleasure out of coaching the Rep Valley Trap High School and Junior High teams. He also enjoyed coaching the Hastings College Shooting Team for several years before his health wouldn't allow him to coach any more.

Mick was also an avid hunter and always was looking forward to hunting season. He always had a good memory of the hunts and the shots that everyone else missed but couldn't remember his misfortunes very well.

Mick was always willing to give a person a hard time about those memories. He was also always willing to help a kid learn how to shoot no matter who you were. I just hope that he knows what his coaching taught some of these kids because I know that he taught me a lot over the years.

**Bill Oeltjen**

NTA DIRECTORS:

I am very grateful to be one of the Honorees for the upcoming Honor Shoot.

I started shooting in the mid-1980's and found this sport to be very addictive. I love traveling and finding Gun Clubs to shoot at. Many friends have been made and there are many stories to be told.

I help manage the Creston Gun Club which was incorporated in the early 1990's and is still a very active Gun Club. The club is open every Sunday-April through October, with league shooting on Tuesday and Thursday evenings in July and August. We support youth shooting. Youth shooters are always welcome at Creston Gun Club. Shooting clinics have been held with Frank Hoppe and Harlan Campbell as instructors.

Whatever I've done for the sport was worthwhile and a small price to pay for the friends that came along the way.

Trapshooting is a sport I'm proud to say "I Love".

Thank you,

Bill Oeltjen
