The sport of trapshooting in Nebraska encompasses great individuality and diversity. The Board of Directors, therefore, may modify the letter, but not the spirit of the above criteria to accommodate special circumstances. Major wins outside the State of Nebraska are important and should be given some consideration. They should not, however, be used to meet the minimum requirements for membership. The name is The Nebraska Trapshooting Hall of Fame and the requirements should be met in Nebraska!! Target and performance requirements may be relaxed in cases of death, incapacitation, disability or other circumstances.

A Hall of Fame Committee will be appointed each second year by the NTA President from among the life members of the Association. The Committee will present to the Board of Directors, at its annual meeting, no more than six names to be considered for induction into the Hall of Fame. From these six names, a maximum of three may be inducted at a Hall of Fame Banquet which is held in conjunction with the Annual State Shoot. There is no limit to the number of Associate members who may be inducted each year.

Nameplates and pictures of the Inductees will be placed in the Hall of Fame trophy case on the NTA State Grounds. Inductees will receive certificates of recognition and sweater or jacket emblems. The Hall of Fame Committee will be responsible for keeping the records of the Hall of Fame and the trophy case display current and presentable.
