YOUNG TRAPSHOOTER NEEDS YOUR SUPPORT

Last summer, Patrick Miller's health declined with respect to lung capacity due to his Cystic Fibrosis. Because of it, he has been placed on the lung transplant list at the University of Nebraska Medical Center of Omaha. They foresee him receiving a double lung transplant within the early part of 2018. Patrick and his wife, Tina, have been saving for his transplant but they will need to live in Omaha for four months following the procedure. For that reason, they are fundraising to help cover out-of-pocket costs like food, rent and travel. They have setup an account for contributions with Children's Organ Transplant Association at www.cota.org. You can donate online or by checks. Please make checks payable to COTA for Patrick M. Tax deductions are available to the fullest extent allowable by law, 501 c3. 100% of each contribution made to COTA will help meet his transplant related expenses.

Together we are stronger. Please join TEAM Patrick@www.cota.org and help us make our goal! Please consider a financial contribution to make a life-saving difference.

*Thank you,
 Mike and Janice Miller*
